

## Weather-Related Closings

The Hearing and Speech Agency follows the Baltimore City Public School System delay and closure schedule for inclement weather, including snow, icy conditions and high winds. We will remain open if the Baltimore City Public School System closes for a heat advisory because our building is air conditioned. Please be advised that the city school decision can change throughout the morning or day.

For questions about how the weather may impact CIRS Interpreting, please email [cirsrep@hasa.org](mailto:cirsrep@hasa.org) or call (410) 318-6780.
